Who helps support Butterscotch, one of the BH therapeutic ponies?

Who is the hottest 88-year-old on Planet Earth?

If you answered **BETTY WHITE** to all of the above, congratulations! You scored 100%!

One more quiz question

Who is coming to Chicago to participate in a fundraiser dinner in support of BraveHearts Therapeutic Riding & Educational Center?

The Answer

That's right, it's **BETTY WHITE!!**

We are thrilled to inform you that Ms. Betty White will honor BraveHearts with her presence at a fundraiser to be held at the University Club in downtown Chicago on the evening of **Saturday, August 21st** (Save-the-Date cards to be mailed soon).

Betty is a long-time friend of BraveHearts' Board member, Dayle Marsh, and BraveHearts' General Counsel, Dan Marsh. They have known Betty for years as fellow Board members of the Morris Animal Foundation.

Over the years, Betty has lovingly sheltered and cared for many rescued dogs and cats, and has championed several causes for animal rights and animal protection.

Despite a schedule that would exhaust someone half her age, Betty is coming to Chicago for the sole purpose of supporting the programs, students, and horses of BraveHearts!

We are deeply honored by this gracious and beloved lady's interest and efforts on our behalf.
